15.Rajasthan Engineering Entrance Exams

Rajasthan Pre Entrance Test for Engineering, Architecture and Pharmacy (RPETEAP) for admission to BE./B.Arch./B.Pharmacy courses in various Govt. aided and Private unaided technical institutions of Rajasthan (Except BITS Pilanii, MNIT, Jaipur and other Deemed University).

Eligibility: A pass in the final examination of 10+2 (XII) of Board of Secondary Education Rajasthan or any other examination recognized thereto by Universities in Rajasthan.

Subject combination required in the qualifying examination for admission to B.E., B.Arch.

(i) B.E. Compulsory Subject: Physics & Mathematics anyone of the optional subjects: Chemistry, Biotechnology, Computer Science, Biology.

(ii) B.Arch. Compulsory Subject: Physics & Mathematics anyone of the optional subjects: Chemistry, Engineering Drawing, Computer Science and Biology.

Candidates who are appearing in the above qualifying examination may also apply.

Pattern of Test: The RPETEAP consist of five papers (1) Physics (2) Chemistry (3) Mathematics (4) Biotechnology (Botany & Zoology) (5) Aptitude Test.

For Engineering and Architecture courses candidate will have to appear in the test as per the combination given below:

- (1) B.E. : Physics, Chemistry & Mathematics
- (2.) B.Arch.: Mathematics & Aptitude Test.

Date of Examination: June.

Application Procedure:

Application form can be obtained by post from the coordinator RPETEAP, Board of Technical Education, Rajasthan, W-6, Residency Road, Jodhpur. Application form duly filled along with required fee as per information Booklet should reach Coordinator RPETEAP, Board of Technical Education, Rajasthan, W-6, Residency Road, Jodhpur 342011.

16. Tamil Nadu Engineering Entrance Exams

Tamil Nadu Professional Courses Entrance Examination is conducted by Anna University on behalf of the Government of Tamil Nadu for admission to Professional (Engineering) courses in Tamil Nadu.

Eligibility: Passed HSC or equivalent examination and those who are going to appear for such qualifying examination (HSC) in March-April are eligible to apply for the Entrance examination, provided they satisfy the other conditions of eligibility prescribed by the Admitting Authorities.

Pattern of Test: The entrance Examination consists of following papers: Physical Science (including Physics and Chemistry) and Mathematics and Aptitude Test in Architecture (for those seeking admission in B.Arch).

Application Procedure: Application form along with the Information Booklet can be had in person or by post during February from any of the following:

In Person: From the specified branches of Canara Bank/State Bank of India, Anna University Branch, Chennai 600025 or from Examination Centre, Anna University, Chennai.

By Post: From the Secretary, Tamil Nadu Professional Courses Entrance Examination, Exam Centre, Anna University, Chennai 600025 by sending Demand Draft towards the cost of application form.

Date of Examination: April

17.Tripura Engineering Entrance Exams

Introduction

Joint Entrance Examination (JET) is conducted for admission to BE courses at Tripura Engineering College and NIT, Agartala.

Eligibility: Passed higher Secondary (10+2) of Tripura Board of Secondary Education/CBSE with five subjects or an equivalent examination with 50% (45% for SC and 40% for ST) marks in Physics, Chemistry and Mathematics are eligible to apply for admission.

Pattern of Test: JET consists of questions in Physics, Chemistry and Maths carrying 100 marks each. Each paper is of 3 hours duration, standard of questions in of higher secondary course. The candidates have the choice to answer either in English or in Bengali. Selection is made on the basis of merit in the Joint Entrance Examination.

Date of Examination: April

Application Procedure: Application form can be had from the Chairman, Tripura Board of Joint Entrance Examination, Directorate of Higher Education, Agartala on payment of requisite charges.

18.Uttar Pradesh Engineering Entrance Exams

Introduction

A State Entrance Examination (SEE) is conducted by Uttar Pradesh Technical University, Lucknow for admission to Degree courses in Engineering/Architecture/ Postgraduate courses MCA of state Government., Govt. aided and private unaided institutions affiliated to U.P. Technical University, Lucknow along with some other Universities of Uttar Pradesh.

Eligibility: A pass in the final examination of 10+2 standard or equivalent. The candidates appearing in the final examination may also appear in the Entrance Examination. Group and subject combination required in the qualifying examination for admission to different course. Subject combination required in the qualifying examination for admission to B.Tech.: Physics & Chemistry/Maths, B.Tech. (Agri. Engg.) : AG I & AG II/AG III., B.Arch.: Math/Aptitude Test (Arch). Candidates seeking admission to B.Arch., must have passed 10+2 with more than 50% marks in aggregate with Mathematics as subject of examination.

Pattern of Examination: SEE consists objective type questions except Drawing Aptitude Test. Papers & Subjects in the Entrance Examination:

Paper	Subjects	No. of Questions	Marks
I	Physics & Chemistry	150 (Objective)	600
II	Mathematics	75 (Objective)	300
III	Biology	75 (Objective)	300
IV	AG I (Ag. Phy. & Ag. Chem) AG II (Ag. Engg. & Stat.)	150 (Objective)	600
V	AG III Agronomy & Agri. Botany	75 (Objective)	300
VI	Aptitude Test (Arch.) Part A Aesthetic Sensitivity	50 (Objective)	200
	Part B Drawing Aptitude	2 Question on Drawing	100

Requirement of Papers for different Courses:

B.Tech/B.Tech (Ag. Engg) - Papers I & II

B.Tech (Ag. Engg. Only) - Papers IV & V

BArch Papers II & VI

Application Procedure: Application forms and Information Brochure may be purchased during January/February from the branches of Allahabad Bank at all Distt. Headquarters & Govt. funded Engineering Institutions/Private Engg. Institutions of Uttar Pradesh. The application form may also be obtained by post from the Registrar, SEE-UPTU, U.P. Technical University, I.E.T. campus, Sitapur Road, Lucknow.

Date of Examination: April

19. West Bengal Engineering Entrance Exams

Introduction

West Bengal Board of Exam conducts a Joint Entrance Examination for admission to first year degree programme in Engineering and Technology course at:

(1) Bengal Engg. College, Howrah, (2) Jadavpur University, Kolkata, (3) Jalpaiguri Govt. Engineering College, Jalpaiguri, (4) Kalyani Engineering College, Kalyani; (5) REC, Durgapur and other NITs for State quota seats; (7) Institute of Engineering and Management, Bankura; (9) Netaji Subhas Engineering College, Garia, Kolkata; (10) Asansol Engineering College, Asansol; (11) Murshidabad College of Engineering & Technology, Berhampur; (12) College of engineering & Management, Midnapur; (13) Kalyani University Science Instrumentation Centre, Nadia; (14) R.C.C. Institute of Information Technology, Kolkata; (15) B.P. Poddar Institute of Management & Technology, Kolkata; (17) MCKV Institute of Engineering, Howrah; (18) Siliguri Institute of Technology (Women's Polytechnic Campus), Dabgram, Siliguri, Darjeeling; (19) Institute of Jute Technology, Kolkata; (20) College of Textile Technology, Serampore, Hoogly; (21) Centre of Leather Tech.,

Kolkata; (23) College of Ceramic Technology, Kolkata.

Eligibility: Candidates have passed/appearing at Hr. Sec.(10+2) Examination in the General/Vocation Stream of West Bengal Council of Hr. Sec. education or its equivalent Examination with at least 50% marks (40% marks for SC/ST/PH candidates) of a recognized University/Board with English and the subjects(Physics, Chemistry, Mathematics/Biology) in which they are to appear in the Joint Entrance Examination and also the Vernacular or any other fifth subject.

Pattern of Test: The test consists of questions of Physics, Chemistry and Maths of 12 standards. All questions will be of multiple choice questions (MCQ) type.

Those apply for BArch have also to in the eligibility test in Geometrical and Free Hand drawing and Aptitude Test, which also conducted by the Board. Selection is made on the basis of merit in JEE.

Examination Centre: Delhi, Mumbai, Chennai, Agartala and different district town of West Bengal.

Date of Examination: April

Application Procedure: Application form can be had from the Engineering Colleges/Board on payment of requisites charges. The form can also be obtained by post from West Bengal Board of Examination, Slater Hall, BE College, Howrah – 711103.

Joint Entrance Exams 2006

Introduction

The Indian Institutes of Technology are institutions of national importance established through an Act of Parliament. These Institutes play a leading role in technological manpower development and have research programs comparable to the best in the world. The institute is present in Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras and Roorkee. The admissions to the Undergraduate Programs for all Indian and Foreign nationals at these institutions are made through the Joint Entrance Examination (JEE).

Examination Schedule for IIT JEE 2006

April 9, 2006 (Sunday)

08.00 - 10.00 Hrs. Physics

12.00 - 14.00 Hrs. Mathematics

16.00 - 18.00 Hrs Chemistry

Each of the above three papers (Physics, Mathematics and Chemistry) will be of Objective type in nature designed to test the comprehension and analytical ability of the Candidates.

Eligibility

Candidates appearing in (10+2) or equivalent qualifying examination in 2006 must secure at least 60% (55% for SC/ST and PD) marks in aggregate in their respective Board Examination.

In case of respective Boards award letter grades, without providing a norm for converting them to equivalent percentage marks, the norms decided by the Joint Implementation Committee of JEE shall be final (details to be

provided in the information Brouchure of IIT JEE - 2006).

A student can have only two attempts to write JEE with effect from 2006 - in the year in which he or she passes the XII standard examination and/or in the following year.

Candidates who join any of the IITs, IT-BHU, Varanasi, and Indian School of Mines (ISM), Dhanbad through IIT JEE - 2006 will not be permitted to appear in JEE in future.

Only those candidates whose date of birth falls on or after October 1, 1981 are eligible for IIT JEE 2006. However, in case of SC/ST, PD candidates the upper age limit is relaxed by five years i.e., SC/ST and PD Candidates who have born on or after October 1, 1979 are eligible.

C. All India Engineering Entrance Examination 2006

Introduction

Programme of Action (PoA), 1992 under the National Policy on Education (NPE), 1986 envisaged conduct of a common entrance examination on all India basis for admission to professional and technical programs in the country. For admission to Engineering and Architecture/Planning programs, Government of India vide Resolution dated 18th October 2001 has laid down a Three – Exam Scheme (JEE and AIEEE at the National Level and the State Level Engineering Entrance Examinations (SLEEE) for State Level Institutions – with an option to join AIEEE). This takes care of varying admission standards in these programs and helps in maintenance of professional standards. This also solves problems of overlaps and reduces physical, mental and financial burden on students and their parents due to multiplicity of entrance examinations.

Examination Schedule

AIEEE will be conducted on the following dates as per schedule given below:

Date of Examination: 30.04.2006

Paper: Paper 1

Subjects: Physics, Chemistry & Mathematics

Timings: 0930-1230 Hours

Duration: 3 Hours

Date of Examination: 30.04.2006

Paper: Paper 2

Subjects: Mathematics & Aptitude Test

Timings: 1400-1700 Hrs

Duration: 3 Hours

For those unable to appear in AIEEE on scheduled date of examination for any reason, no re-examination shall be held under any circumstances. The schedule will remain unaltered even if the date is declared as a public holiday.

Eligibility

Only those candidates whose date of birth falls on or after October 01, 1981 are eligible. However, in the case of Scheduled Caste (SC), Scheduled Tribe (ST) and Physically Handicapped (PH) candidates, upper age limit is relaxed by 5 years, i.e. SC, ST and PH candidates who were born on or after October 01, 1976 are eligible. Date of birth as recorded in the Secondary Education Board/University certificate only will be taken as authentic.

D.Engineering Architecture Agricultural & Medical Common Entrance Test, EAMCET 2006

Introduction

A Common Entrance Test, Designated as Engineering, Agricultural and Medical Common Entrance Test – 2006 (EAMCET – 2006) of Andhra Pradesh will be conducted (as per G.O.Ms.No. 16 Edn., (EC) Department Dt: 25-2-2004 and its amendments) by Jawaharlal Nehru Technological University, Hyderabad – 72 for entry into the first year of the following professional courses offered for the academic year 2006-2007 in the State of Andhra Pradesh.

- (a) B.E/B.Tech courses
- (b) B.V.Sc and A.H/B.Sc (Ag)/B.Sc (Hort)/B.F.Sc/B.Tech (FST)/B.Sc (CA&BM) courses
- (c) MBBS/BDS/BAMS/BHMS/BNYS courses
- (d) B. Pharm courses.

Examination Schedule

Date of Entrance Test: 04-05-2006

Eligibility

The minimum qualification to appear for EAMCET-2006 is-

- (a) A pass in Intermediate Examination or appearance at 2nd year Intermediate Examination (10 + 2 pattern) conducted by the A.P. Board of Intermediate Education, with appropriate optional subjects or its equivalent thereto.
- (b) A pass at Diploma examination or appearance at 3rd year Diploma Examination in Engineering conducted by the State Board of Technical Education and Training, A.P. or its equivalent thereto. Diploma candidates are eligible to apply for B.E/B.Tech courses only or its equivalent thereto. Diploma Candidates are eligible to apply for B.E./B.Tech./B.Arch, courses only.
- (c) In case of such students who appear for the entrance Test, pending result of their qualifying examination, their entry shall be subject to their securing a pass in the said qualifying examination.
- (d) Candidates should belong to the State of Andhra Pradesh as defined in the A.P. Educational Institutions (regulations for admission) order 1974 and

Examination (KIITEE)-2006**

Introduction

Kalinga Institute of Industrial Technology had a humble beginning in 1992 as an Industrial training Institute. Within a short span of time, it grew to be one of the finest technical and management Institutes in the country.

Examination Schedule

Kalinga Institute Of Industrial Technology Entrance Examination (KIITEE)-2006 will be held online on 04-06-2006 & 05-06-2006. The application form and prospectus for the said entrance examination will be available with effect from 01-03-2006 in the Institute's Counters and Designated Branches of Allahabad Bank (candidates can also apply on-line).

Eligibility

Eligibility for B. Tech (4 years): Pass in 10+2 Sc with Physics, Mathematics and Chemistry / Bio-Technology / Computer Science / Biology

Eligibility for B.Tech (3years) (Lateral Entry):

Pass in 3 years Dipolama Engg. Course with least 60% marks in aggregate.

Eligibility for M.Tech (2 years): Admission will be through GATE / Sponsored by Industries / Departments. Unfilled Seats (if any) will be filled up through KIITEE-2006. Students with First Class B.E / B.Tech or Equivalent / MCA / M.Sc can apply.

F. International Institute of Information Technology - PGEE 2006

Introduction

The International Institute of Information Technology (formerly Indian Institute of Information Technology), Hyderabad is an autonomous, self-supporting institution started in 1998 with seed support from the Government of Andhra Pradesh. The institute has research centers focusing on different aspects of Information Technology (IT) and its applications. The areas of research include Natural Language Processing, Speech Processing, Image Processing, Computer Vision & Graphics, Signal Processing, Wireless Communication, VLSI and Embedded Systems, Database Systems, Data Mining, Robotics, Networking, Multi-agent Systems, Cryptography & Network Security, Ad hoc Networks, Algorithms, Theoretical Computer Science, Bio-informatics, Building Sciences, Earthquake Engineering, Computational Linguistics, Education, and Power Systems.

Programs under PGEE 2006

The International Institute of Information Technology, Hyderabad invites applications for admission to its Post-Graduate programmes listed below-

Mtech: an advanced course driven, two-year programme with opportunities for project work in the final semester. Mtech in Computational Linguistics is research driven and thesis forms a major component of the program.

Mphil (Computational Linguistics only)/MS by Research: A research driven masters programme open to students with an advanced background in relevant areas. A research thesis is central to this programme.

Expected duration is 2 years. PG Diploma in Computational Linguistics: This is 1-year programme that gives students an opportunity to learn the basics of the subject and an experience in developing linguistic resources for natural language processing.

PhD: The programme requires course work and clearing of breadth and depth qualifiers followed by thesis work. Approximate duration of this programme is 3 to 5 years.

Admission Procedure:

Admission to PG programmes will be on the basis of the performance at the Post-Graduate And PhD Entrance Examination (PGEE 2006) and an interview to be held at Hyderabad. However, for the research programmes i.e., Ph.D. and M.S. by Research programmes, exceptional candidates may be called directly for the interview on the basis of their application.

Post-Graduate Entrance Examination (PGEE 2006):

An all-India examination to test the preparedness of the applicants will be held on 21st May, 2006. The examination will be held at Hyderabad and a number of major cities in the country depending on the number of applicants from each region. The entrance examination will consist of two papers. Paper I test the general aptitude of the candidate and will consist of objective questions from Mathematics, Programming, and Logical Reasoning. Paper II is the Subject Paper, which tests the candidate's subject knowledge.

Eligibility for M Tech:

Computer Science and Engineering

Eligibility: BE/ BTech in Engineering or Master's degree in Science or

MCA

Computer Sc. and Information Security

Eligibility: B.Tech in CS/ECE/IT or MCA with BSc. (Maths) or MSc (Maths/CS)

VLSI and Embedded Systems

Eligibility: BE/BTech in ECE/EE/EEE/CS/IT/Instrumentation

Computer Aided Structural Engineering

Eligibility: BE/BTech in Civil Engineering

Computational Linguistics

Eligibility: BE/BTech in CS or other areas in Engineering, Master's Degree in Science

Bioinformatics

Eligibility: BE/BTech in CS/Biotech/ Bioinformatics, Master's degree in Maths or Prog or Science.

Eligibility for MS by Research and Ph.D

Computer Science and Engineering:

Computer Science and Information Security

Eligibility: BE/B.Tech in CS/ECE/IT or MCA with BSc.(Maths) or MSc.(CS/Maths).

VLSI and Embedded Systems

Eligibility: BE/BTech or ME/MTech in ECE/EE/EEE/CS/IT/Instrumentation

Signal Processing

Eligibility: BE/BTech or ME/MTech in ECE/EE/CSE/IT/EEE, Master's Degree in Science

Computer Aided Structural Engineering

Eligibility: BE/BTech or ME/MTech in Civil Engineering

IT in Building Science

Eligibility: BE/BTech or ME/MTech in any Engineering branch,

Architecture

Computational Linguistics (only PhD)

Eligibility: MA or MPhill in Linguistics, Language BE/BTech or ME/MTech in CSE or other areas

Bioinformatics

Eligibility: BE/BTech in CS, Biotech/Bioinformatics, Master's degree in Maths or Science

Power System (Only PhD)

Eligibility: BE/B.Tech in EE or M Tech in power system

Scheme of AIEEE 2007 Examination

Entrance examination would consist of two papers i.e. 1st paper consisting of three parts of Physics, Chemistry and Mathematics of equal weightage with objective type questions for BE/B.Tech courses and 2nd paper – consisting of Mathematics and Aptitude Test for B. Architecture and B. Planning. The Aptitude Test is designed to evaluate candidate's perception, imagination, observation, creativity and architectural awareness.

Scoring and Negative Marking for AIEEE 2007

There will be objective type questions with four options having single correct answer. For each incorrect response one third of the total marks allotted to the question would be deducted. No deduction from the total score will, however, be made if no response is indicated for an item in the answer sheet. The candidates are advised not to attempt such item in the answer sheet if they are not sure of the correct response. More than one answer indicated against a question will be deemed as incorrect response and will be negatively marked. All objective type questions are required to be answered on specially designed machine gradable answer sheets. Answers are to be marked using ball point pen (black/blue) only. For the purpose of evaluation, Test Booklet Code as printed in the Answer Sheet on Side-2 will be accepted as final.

Subject combination for each paper, type of questions and total marks in each paper are given in the table below :

SUBJECTS	TYPE OF QUESTIONS	TOTAL MARKS
Paper 1 Physics, Chemistry & Mathematics	Objective type questions with equal weightage to Physics, Chemistry & Mathematics	540
Paper 2 Mathematics	Objective type Question	400
Aptitude Test-Part1	Objective Type Question	
Aptitude Test-Part2	Two questions to test drawing aptitude	

Requirement of papers for different courses is given in the table below:

COURSE	PAPERS
B.E./B.TECH	Paper –1
B.ARCH/B. PLANNING	Paper –2

AIEEE 2007 Syllabus (Being Uploaded shortly)

The question papers for the Examination shall be based on a common minimum syllabus drawn from syllabi taught in different State Boards.

Eligibility Criteria : Candidates are, however, required to appear in the

papers as per Scheme of Examination for AIEEE specified in para 2.4 of this Bulletin.

The minimum academic qualification for admission through AIEEE is a pass in the final examination of 10+2 (Class XII) or its equivalent referred to as the qualifying examination. Those appearing in 10+2 (Class XII) final or equivalent examination may also appear in AIEEE for consideration of provisional admission.

Date of Birth

Only those candidates whose date of birth falls on or after October 01, 1981 are eligible. However, in the case of Scheduled Caste (SC), Scheduled Tribe (ST) and Physically Handicapped (PH) candidates, upper age limit is relaxed by 5 years, i.e. SC, ST and PH candidates who were born on or after October 01, 1976 are eligible. Date of birth as recorded in the Secondary Education Board/University certificate only will be taken as authentic.

Examination Centres

List of cities where the examination will be conducted is given in Appendix VI. Candidates are required to give three options convenient to them. While every effort will be made to allot a Centre in one of the places opted by the candidate, the Board reserves its discretion to allot a Centre other than that of candidate's choice. Under no circumstances, the Centre once allotted shall be changed by the Board.

Evaluation and Declaration of Results

On the basis of performance in **AIEEE**, separate rank lists will be prepared for B.E./B.Tech. and B.Arch/B.Planning. Score Card indicating All India Rank with total marks and marks in each subject shall be sent to all candidates appearing in **AIEEE**.

Candidates scoring above a certain cut off percentage of marks (being different for General and SC/ST/PH category candidates) to be called for counselling shall be determined at the time of declaration of AIEEE results. All India Rank and marks shall also be released on AIEEE website. The results of AIEEE 2007 are likely to be declared on or before 31st May, 2007 .

The score card will be dispatched to the candidates from 10.06.2006 to 25.06.2006. In case of non-receipt of the score card within the stipulated period candidate may apply for duplicate score card on payment of Rs. 50/- (plus postal charges of Rs. 30/- for outstation candidates) in the form of Demand Draft in favour of Secretary, CBSE, payable at Delhi between 03.07.2006 to 31.07.2006. No request for issue of duplicate score card will be entertained thereafter.

As per the notified cut off score and the candidates declared eligible up to the notified Rank shall be called to appear for counselling.

In case of two or more candidates obtaining equal marks, inter-se merit of such candidates shall be determined as follows:

B.E./B.Tech - By marks obtained in Mathematics and then in Physics in the AIEEE and then by age (preference to older candidates).

B.Arch/B.Planning - By marks obtained in Aptitude Test and then in Mathematics in the AIEEE and then by age (preference to older candidates).

CEE 2007

Delhi University Combined Entrance Examination 2007 - CEE 2007

Combined Entrance Examination(CEE-2007) for admission to B.E. Courses in DCE & NSIT

Notification

It is notified for all concerned that the ***Combined Entrance Examination (CEE – 2007) for admission to first year of Bachelor of Engineering Courses in Delhi College of Engineering and Netaji Subhas Institute of Tehnology for the session 2007-2008*** for Delhi Region only (85% Seats) will be held on Sunday, the **27th May, 2007**. The admission to 15% seats reserved for Outside Delhi Region Candidates (Outside National Capital Territory of Delhi) shall be made on the basis of All India Merit Rank in **AIEEE-2007** to be conducted by C.B.S.E. All the candidates belonging to Outside Deli Region (Outside National Capital Territory of Delhi) are advised to appear in **AIEEE-2007** as per their schedule. The criterion for deciding the eligibility of an applicant to a seat reserved for any Region is the location of the School/ College/ Institution from which the candidate has passed the qualifying examination on the basis of which he/she is seeking admission.

The detailed notification for issue of **Bulletin** of Information etc. for CEE-2007 (for Delhi Region 85% seats) will be issued in leading newspapers sometime in the **3rd week on February, 2007**. No further correspondence for sale of Bulletin of Information etc. will be entertained till the notification for the same is issued by the University of Delhi.

GATE Test Structure

- The GATE 2007 examination consists of a single paper of 3 hours duration and carries a maximum of 150 marks.
- The question paper of GATE 2007 will be fully objective type.
- Candidates have to mark the correct choice by darkening the appropriate bubble against each question on an Objective Response Sheet (ORS).
- There will be negative marking for wrong answers. The deduction will be 25% of the marks allotted.

GATE 2007 will have the following 22 papers:

Paper	Code	Paper	Code
Aerospace Engg.	AE	Information Technology	IT
Agricultural Engg.	AG	Mathematics	MA
Architecture and Planning	AR	Mechanical Engg.	ME
Civil Engg.	CE	Mining Engg.	MN
Chemical Engg.	CH	Metallurgical Engg.	MT
Computer Science & Engg.	CS	Physics	PH
Chemistry	CY	Production & Industrial Engg.	PI
Electronics & Communication Engg.	EC	Pharmaceutical Sciences	PY
Electrical Engg.	EE	Textile Engg. & Fibre Science	TF
Geology & Geophysics	GG	Engineering Sciences	XE
Instrumentation Engg.	IN	Life Sciences	XL

Papers XE and XL are of general nature and will comprise the following Sections:

Engineering Sciences (XE)	Life Sciences (XL)
---------------------------	--------------------

Section	Code	Section	Code
Engg. Mathematics (Compulsory)	(A)	Chemistry (Compulsory)	(H)
Computational Science	(B)	Biochemistry	(I)
Electrical Sciences	(C)	Biotechnology	(J)
Fluid Mechanics	(D)	Botany	(K)
Materials Science	(E)	Microbiology	(L)
Solid Mechanics	(F)	Zoology	(M)
Thermodynamics	(G)		

Candidates appearing in XE or XL papers are required to answer three sections . Sections (A) and (H) are compulsory in XE and XL respectively. Candidates can choose any two out of the remaining sections mentioned against the respective papers.

The choice of the appropriate paper is the responsibility of the candidate. However, some guidelines are suggested below:

- Candidates are expected to appear in a paper appropriate to the discipline of their qualifying degree.
- However, the candidates are free to choose any paper according to their admission plan, keeping in mind the eligibility criteria of the admitting institute.

CEED-2007

Common Entrance Examination for Design Notification

What is CEED ?

CEED (Common Entrance Examination for Design) is an all India examination conducted by the Indian Institute of Technology, Bombay (IIT, Bombay), on behalf of the Ministry of Human Resources Development, Department of Education, Government of India.

The examination tests the candidates for visual perception ability, drawing skills, design aptitude and communication skills.

CEED is a qualifying examination for admission to Post Graduate M.Des. programmes at the Industrial Design Centre (IIT Bombay), Instrument Design and Development Centre (IIT Delhi), Centre for Product Design and Manufacturing (IISc Bangalore) and Design Programme (IIT Kanpur). For IIT Kanpur GATE is also a qualifying examination. Candidates also have to fulfill

other requirements such as tests & interviews of the respective institutions for admission.

Programmes:

IISc Bangalore: M.Des. in Product Design and Engineering*

IIT Bombay: M.Des. in (i) Industrial Design, (ii) Visual Communication, (iii) Animation, (iv) Interaction Design

IIT Delhi: M.Des. in Industrial Design

IIT Kanpur: M.Des. in Industrial Design*

(*GATE qualified candidates will also be considered for admission to these programmes).

CEED Test Structure

CEED examination will consist of two parts. First part would test your drawing skills, aesthetic sensibility, creativity, problem identification and your approach to visual and mechanical design. The second part will be mainly objective type which will test your skills in visualization, creativity, design and general awareness, and comprehension.

CEED examination will test your drawing skills, aesthetic sensibility, creativity, problem identification ability and your approach to visual and Mechanical design. The examination tests your visual perception ability, drawing skills, design aptitude and communication skills. It will test your ability to creatively and appropriately solve simple design problems. Importance is given to the following - Problem Analysis, Creativity Alternate Concepts, Justifications for your Solutions and Visual and Textual Presentation Skills. It will also test your skill in visualization, creativity, design and general awareness and comprehension.

Application Procedure:

Application form and information brochure (i) can be obtained (in person, or by post) from GATE Office, IIT Bombay, on payment of non-refundable application fee of Rs.990 (Rs.495 for SC/ST candidates) by crossed demand draft in favour of IIT Bombay payable at Mumbai, OR (ii) can be downloaded from the website: www.iitb.ac.in/gate, and completed application submitted, along with a non-refundable application fee of Rs. 950 (Rs. 475 for SC/ST candidates) by crossed demand draft in favour of IIT Bombay, payable at Mumbai, by Speed Post to GATE Office, IITBombay, Powai Mumbai 400 076. [BITSAT 2006 Details](#)

[A Computer Based Online Test for admission to Integrated first degree programmes of BITS, Pilani; I Semester 2006-07](#)

The Birla Institute of Technology and Science (BITS) Pilani, which is deemed to be a university, is an all-India Institute for higher education for men and women, fully residential, and awards its own degrees. Admissions to all the Integrated First Degree programmes of BITS, Pilani, at Pilani campus and Goa campus, for the academic year 2006-07 will be made on the basis of a **Computer based Online Test conducted by BITS, Pilani**. This test will be referred to as '**BITS Admission test – 2006**', in short as **BITSAT-2006** hereafter in this document.

LAST DATE SUBMISSION FORM - 31-01-2006

TEST Date(s) - During 1st May to 10th June 2006

1. **Integrated First Degree Programmes** to which **admissions** will be made on the basis of BITSAT-2006:

(i) **at BITS, Pilani – Pilani Campus:**

B.E.(Hons.): Chemical; Civil; Computer Science; Electrical and Electronics; Electronics & Instrumentation; Mechanical; B.Pharm.(Hons.); M.Sc.(Hons.): Biological Sciences; Chemistry; Economics; Mathematics; Physics; and M.Sc.(Tech.): General Studies; Engineering Technology; Finance; Information Systems.

(ii) **at BITS, Pilani – Goa Campus:**

B.E.(Hons.): Chemical; Computer Science; Electrical and Electronics; Electronics & Instrumentation; Mechanical; M.Sc.(Hons.): Biological Sciences; Chemistry; Economics; Mathematics; Physics; and M.Sc.(Tech.): Information Systems.

2. Eligibility:

For admission to any of the above mentioned Integrated first degree programmes, the candidate should have passed the 12th examination of the 10+2 system from a recognized Central/ State board or its equivalent with **Physics, Chemistry, and Mathematics**. Since the medium of instruction at BITS is English, candidates should have adequate proficiency in English. Further, the candidate should have obtained a minimum of aggregate 80% marks in **Physics, Chemistry and Mathematics** subjects in

12th examination, with at least 60% marks in each of the **Physics, Chemistry, and Mathematics** subjects.

Students who are **appearing for 12th examination in 2006** are eligible to appear in the **BITSAT-2006** test. Students who have passed the 12th examination in 2005 may also apply for **BITSAT-2006**, provided they explain the reasons for the gap. The admission committee will examine all such cases before taking a final decision on their eligibility. Students who have passed 12th examination in 2004 or earlier are NOT eligible to appear in **BITSAT-2006**. Students who are presently studying in BITS at any of its campuses are not eligible to appear in **BITSAT test**.

Admissions will be made purely on merit. The merit position of the candidate for admission will be based on the score obtained by the candidate in the **BITSAT-2006**. However, their eligibility for admission is subject to fulfilling the requirement of **minimum marks in 12th examination**, as mentioned above.

Direct Admission to Board Toppers:

In the past, admission process of the Institute always ensured guaranteed admission to all the students who obtained first ranks in their respective board examinations. This has given a very vital input of highly meritorious students from all over India. The Institute wants to maintain this practice and hence, first rank students of all the central and state boards in India will be given direct admission to the programme of their choice, irrespective of their BITSAT-2006 score. However, they should have obtained the minimum marks in PCM subjects of 12th examination, as described above.

For this purpose, the topper should be from the science stream having taken **Physics, Chemistry and Mathematics** subjects in 12th. The aggregate marks should contain the **Physics, Chemistry and Mathematics** subjects, in addition to other subjects considered by the board as required to pass the 12th examination. Further details about this scheme will be available at BITS website.

3. Details of BITSAT-2006:

'Computer Based Online test' means the candidate sits in front of a computer and the questions are presented on the computer monitor and the candidate submits the answers through the use of key board or mouse. Each computer is connected to a server which prepares the question set and delivers it to the candidate on the computer. This is unlike the traditional paper-pencil based test which is generally offered on a single day to all candidates. BITSAT-2006 will be offered over a period of time and the candidate can choose the center, the day and time of his/her convenience to take the test, as described in the later sections.

BITSAT-2006 Test Format:

BITSAT-2006 will be of total 3 hour duration (without break). The test consists of four parts:

Part I : Mathematics

Part II : Physics

Part III : Chemistry

Part IV : (a) English Proficiency and (b) Logical Reasoning.

All questions are of **objective type (multiple choice questions)**; each question with choice of four answers, only one being correct choice. Each correct answer fetches 3 marks, while each incorrect answer has a penalty of 1 mark. No marks are awarded for not attempted questions. While the candidate can skip a question, the computer will not allow the candidate to choose more than one option as correct answer.

How to Apply:

Interested candidates should register their names for BITSAT-2006 by applying in the prescribed application form available at <http://www.bits-pilani.ac.in/BITSAT/> and take the print out of the filled form. The printed and completed application form along with the prescribed fees of Rs. 600/- in the form of crossed Demand draft or should be sent to Admissions Officer, BITS, Pilani – 333 031.

(ii) Obtain the application form by post from the undermentioned by sending a request on plain paper giving the candidate's name with complete postal address, accompanied by a crossed demand draft for Rs. 700/- (i.e., requisite fee of Rs. 600/- + Rs. 100/- towards postal and handling charges). The form will be sent by Demand Draft / Registered Post. Requests by post will be accepted only till 20th January 2006. Demand drafts should be drawn in favour of BITS Institute of Technology & Science (BITS), payable at State Bank of Bikaner & Jaipur, Pilani (Code: 1398) or UCO Bank, Vidya Vihar, Pilani (Code: 0150). If the demand draft is payable at any other branch or bank in India, an additional amount of Rs. 100/- should be added towards collection charges.

Deadline to apply for BITSAT-2006 by submitting the completed form to the under-mentioned is 5.00 PM on 31st January 2006.

Those who register for the test and reserve test dates will be sent the 'Hall ticket', along with instructions, by the end of March 2006. The tests will be conducted during 1st May – 10th June 2006.

Procedure for Applying for admission:

In addition to applying for and appearing in **BITSAT-2006**, candidates have to also apply for admission to BITS giving details of their 12th marks and preferences to different degree programmes offered. The prescribed application form for admission, the detailed application procedure and the final list of Degree programmes offered will be available at the **BITS website, by 15th May 2006**. Completed application forms for **BITSAT-2006** and for admission are to be sent by registered post/speedpost or personally submitted to the under-mentioned so as to reach him before the announced deadlines: fee of Rs. 200/- has to be submitted so as to reach the under-mentioned on or before 5.00 PM on 30th June 2006.

Admission Notification 2006 for B Tech (ICT)

Important Dates

Sale of Application Forms	Commences on	01 March 2006
	Closes on	08 April 2006
Last Date for receiving completed Application Form		13 April 2006
Counselling		To be Announced
Commencement of Session		04 August 2006

DA-IICT, a UGC recognised statutory university, has announced Admission to the Sixth Batch (**2006 Batch**) of its **B Tech (ICT) program**. **Admission procedure** for Indian Citizens is described here.

Selection Process

Admission to the 2006 Batch of B Tech (ICT) will be based on the **All India Rank of AIEEE 2006 (All India Engineering Entrance Examination 2006)**, which is being conducted by CBSE on 30 April 2006. Therefore, only candidates who are appearing for **AIEEE 2006** can apply for this program of DA-IICT.

The short-listed candidates, based on **AIEEE 2006** ranking, will be called for counselling at Gandhinagar and will be offered admission in order of their merit based on the All India Rank of **AIEEE 2006**.

A limited number of seats will be offered to Non-Resident Indians (NRIs) and Foreign Nationals/Persons of Indian Origin (PIO) through a separate channel called 'Direct Admission of Foreign and NRI Students' (DAFS).

Number of Seats

The intake will be 240. Out of these, 228 seats will be filled on the basis of the All India Rank of AIEEE 2006, while the remaining 12 seats will be offered to NRIs through DAFS. In addition to these 240 seats, 36 seats will be offered to Foreign Nationals/Persons of Indian Origin through DAFS. The unfilled NRI seats, if any, will also

be filled on the basis of All India Rank of AIEEE 2006. The Institute may change the number of seats without any notice.

Seats reserved for candidates belonging to Scheduled Caste and Scheduled Tribe categories are 15% and 7.5% respectively. Candidates belonging to these categories will be admitted on relaxed criteria as compared to the general category candidates. In case some of the reserved seats are not filled, the unfilled seats will be transferred to the general category.

Eligibility

The minimum academic qualification for admission is a pass in the 10+2 or its equivalent with Mathematics, Physics and Chemistry/Computer Science. Candidates appearing in the qualifying examination in 2006 are also eligible to apply for consideration of provisional admission. All candidates who are offered provisional admission will be required to produce the proof of having passed the qualifying examination (10+2 or equivalent) to the Institute latest by 30 October 2006, failing which such provisional admission will stand cancelled.

If a candidate is found ineligible at a later date, even after admission to DA-IICT, his/her admission will be cancelled. All admissions will be subject to verification of facts from the original certificates/documents of the candidates. The decision of the Admission Committee of DA-IICT regarding eligibility of any applicant shall be final.

A list of qualifying examinations is given below:

- * The +2 level examination in the 10+2 pattern of examination of any recognized Central/State Board of Secondary Examination, including Central Board of Secondary Education, New Delhi, and Council for Indian School Certificate Examination, New Delhi.
- * Intermediate Science or Two-year Pre-University Examination conducted by a recognized Board/University.
- * First year Examination of a degree course of any recognized Indian University / Institute following a Higher Secondary Examination in the 10+1 system.
- * Final Examination of the two-year course of the Joint Services Wing of the National Defence Academy.
